Dear Professor Diana Lan

As Chair of the International Geographical Union Commission on Gender and Geography, I am delighted to endorse the forthcoming IV Latin American Seminar on Geography, Gender and Sexuality in Argentina, scheduled for November 2019.

The IGU Gender and Geography Commission recognises and applauds the excellent research and mentoring that has come from previous Latin American seminars of geography, gender and sexuality. These seminars are highly successful and they advance geographical knowledges.

Our Commission is looking forward to collaborating with you. Please don't hesitate to contact us so that we can assist with organising and advertising the IV Seminar Latin American Seminar on Geography, Gender and Sexuality in Argentina.

Best wishes

Professor Lynda Johnston  
Chair, IGU Commission on Gender and Geography
